

Peach Collins

Les étapes

For the 30% homemade citric solution:

Mix together all the ingredients: 25gr citric acid, 5gr malic acid, a pinch of salt and 1kg water.

For the spiced cordial:

Mix 150g sugar, 5g citric acid and 300g water.

Chop 2 g of red chillies and leave to infuse overnight in the solution.

Remove the chillies and you can use the cordial.

For the cocktail:

– Pour the peach liqueur, Tio Pepe, gin, citric solution and cordial into a shaker.

– Add 2 ice cubes

– Stir with a cocktail spoon

– Fill your cocktail glass with a large ice cube

– Pour the contents of your shaker into the glass and top up with sparkling water according to the size of your glass

– Enjoy!

Psst:

If you don't have enough citric solution, replace it with lemon.

For the spicy cordial, replace it with sugar syrup with a dash of chilli.
