

BLACKCURRANT CAKE

INGRÉDIENTS

Blackcurrant berries	**400 g**
Butter	**70 g**
Blackcurrant pepper	
Flour	**100 g**
Sugar	**200 g**
Fluid cream	**15 cl**
Eggs	**6 cl**
Almond powder	**70 g**

PRÉPARATION

1. Heat the blackcurrant berries and butter. Add the Briottet blackcurrant liqueur. Add a pinch of blackcurrant pepper and 50g of sugar to remove the acidity of the blackcurrant.
2. In a bowl, mix the flour, the remaining sugar (150g), the almond powder, the cream and the eggs.
3. Mix the blackcurrant mixture with your mixture.
